Dear Award Winning Parents,

We understand that this time in history has been challenging for everyone. Our TCS parents have been stretched in ways no one could have ever imagined. You are among your student's super heroes as you are juggling so many things. Thank you for doing your best, and we want you to know that your best is good enough. We pray that we are all learning to show grace to others and ourselves. We hope our students are able to move forward in their learning experience but not at the expense of your family's well being. Please reach out to your child's teacher for help or to modify assignments as needed. As these days have grown into weeks we pray that God's grace, peace and strength is felt among one and all.

- The details for next Monday's drop-off/pick-up are below.
- Please be patient as this is new to all of us.
- Each group has approximately 30 families ... please **stay in your car!**
- You will be asked to write your family name on a 3x5 card that will be handed to you while you are in line. (Later you will be asked to hand it to a runner.)
- The flow of traffic will be directed by workers in orange safety vests.
- A runner will bring your family bag to the car and exchange it for your student's completed assignments.
- Please bring your **child's completed assignments** in a zip lock bag with their **name** and **grade** on it in exchange for your family bag to take home.
- **SAVE FAMILY BAGS & Student's TWO GALLION ziploc bags** and family **name card** to return with completed work to the next drop-off/pick-up event.
- Please be sure you have the teacher's instructions before students dive into their packets.

Packet Drop-off/Pick-up schedule by family LAST name - Monday, April 13th

In addition to our student packets and Google Classroom, we will initiate live online classroom instructional meetings when school resumes on April 13th. Also, look for an invitation from Senora Tarpay to join a Google Classroom for Spanish. Recognizing that many of our families have multiple students and some have limited technology available, we are hoping that the attached schedule will work for your family. Please check the times that your student will need to attend these online instructional meetings to validate their attendance.
